### (b) Associate Membership

The Board of Directors may award this classification of membership to any individual, with or without fee that in its judgment would be of benefit to the Association. Such special award shall be for one year and may be renewed annually by Board of Directors vote. Associate members do not have the privilege to vote in elections or on matters brought before the membership and cannot serve as members of the Board of Directors or run for office.

### (c) Honorary

The President and the Board of Directors at its discretion and by its vote, may award to any person displaying outstanding contributions to the Association and /or its purposes an Honorary Membership.
